FEB.
2012

The other day Roy said Eden's Song is like a Holy Ghost hedge fund. I thought it sounded good, but had to look up what Hedge Fund means. Here is the abridged definition, "A hedge fund is an investment fund that can undertake a wider range of investment and is only open for investment from particular types of investors like high net worth individuals."

As high net worth (in Christ) individuals I think the best bang for our buck is to follow 2Cor9 in sowing cheerfully, generously & purposefully. We especially appreciate and covet your prayers. As you liberally pray for the missionaries, our finances & our supplies to come in you are rending the heavens over our ministry. When you give of your time to volunteer or run supply drives you are unlocking what the enemy would try to hold back from his people. When you give financially you are allowing us to bless others with physical requirements that support our missionary's orphans, village families, clinics and hospitals. One way to do that is to partner with us in ESM's 20-TWENTY commitment. Your \$20 per month for 1 year will go a long way in supplying for the needs of our missionaries.

Investments you make through Eden's Song temporarily assist missionaries on the field to support a wide range of services, but eternally your investments are stored as a reward in heaven (Luke 18:22) & "your gift will return to you in full measure, pressed down, shaken together to make room for and running over" (Luke 6:38).

Thank you for all you do as we partner together to serve those serving others.

Eden's Song Ministry is conducting a fundraiser through the month of March. Celebrating Home has offered us 50% of the sales and has made it so easy by putting it on-line. You can help us:

... by forwarding it to your friends via email or on Face Book. Simply go to the link shown below and register as a participant. After you do so, you will have access to the e-mail template to forward to your friends and family. It will include a link to take them to our shopping site and will give you credit for their purchases.

We are raising money to supply the material necessities to make our Power Packs, Women's Totes and Birthing kits. We have received a high volume of requests we need to fill by late spring. Thank You.

The Esther Project

- Sponsor a single mother with AIDS by providing her & her children meals at \$25/month
- Sponsor the same family by providing rent, meals & utilities at \$100/month
- Sponsor the same family by providing a mosquito net for \$10
- Sponsor the same woman by providing supplies for an income generating project at \$25

The best care for a sick HIV+ woman is a well HIV+ woman. The now-empowered women who have been through the 18 month WEEP (women's equality empowerment program) program are given the resources and opportunity to go back into their communities, locate women in need and care for them in the same way that they once received care.

A life of passionate worship means feeding the hungry, standing up for those who suffer injustice... we must preach the gospel at all times, speaking and acting out God's love to a hurt and broken world. M. Pilavachi

Join the team of Eden's Song as we work side by side with our missionaries to heal the breach for those separated from society through a connection of resource options that create self-sufficient lifestyles & the option to live a Spirit filled life.
Rev 22:2 "...and on this side of the river and on that, was the tree of life bearing 12 manner of fruits, yielding its fruit every month; and the leaves of the tree were for the healing of the nations."

MEDICAL SUPPLIES & KITS

We have orders for 980 kits (Yes, it's true) women's totes, birthing kits, power packs and wound care! While we know that we cannot meet all of these needs, our God Who owns a thousand cattle on a thousand hills can! \$5 can supply a year's worth of sanitary napkins to school girls through **Freedom for Girls**, \$10 can purchase a **birthing kit** or \$25 provides **wound care** for a clinic. If you'd like to hold a church/work drive to collect supplies, please let us know & we'll help with specific lists.

Through our **Stock and Ship Program**,

we have seen God's hand bless us with resources to send out. But read this blessing we received from one of our missionary friends. It seems that it is more about the love of God rather than the "stuff" although we thank you endlessly for your donations for our provision:

"The Pastor & his wife you mailed all the gifts to, let us know that they got all the boxes so we told them they could open them to arrange them in their luggage; which they did & were worried as they were cutting the tape what kind of weight it would add to the luggage, but were blasted by this wave of LOVE that came out of the boxes...their very words were, "I felt the love of God pour out of them"... oh, it made me cry just to read that simply & profoundly explains you and those faithful love-filled workers that helped pack those love-filled boxes."

What you give is used in ways we may never understand. Give & be blessed that you have shared God's love around the world.

Volunteer Program- WANT TO GET INVOLVED BUT DON'T KNOW HOW? You don't have to live in Lewiston to help ... we have many projects that you can assist us with from anywhere in the states...sewing dolls, making lap throws, baby blankets, tote bags, newborn hats or even slippers in all sizes. We could also use your help collecting donations from stores or organizations giving things away. Consider holding a church/work drive to donate the basic needs for each which can be found on the website or email us for specifics. If needed, we will provide the shipping costs. Please check out our website (www.edenssong.org) for more opportunities to volunteer.

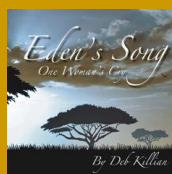

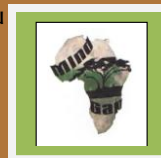

Media 4 Missionaries

We just completed the development of 4 computer centers for HEART ministries. Katherine Rubin, a life coaching counselor from Ca. working at HEART, will train WEEP women computer skills once they arrive in Nairobi. This will offer an alternate opportunity for single moms being saved from the advanced stages of HIV to become self-sufficient and break through the impoverished cycle. **We have also sent** another IPod to a missionary working in Kampala, Uganda. **A new project** is to provide Kindles (or E-readers) for our missionaries. It is so heavy to ship books and this is an excellent alternative. We start them off with a percentage of already purchased books and go from there. **Please consider donating** your unused IPod or reader. A financial contribution of \$120 may be given online through PayPal or by check.

Mind the Gap Ministries has recently added new resources to our website! One of my favorites is how to use Vicks Rub to combat a terrible cold and cough by rubbing it on your feet; sounds funny- **BUT IT WORKS**. And WD40... .did you know that it isn't just for squeaky doors? (To see all 44 items, check out our website!)

Also under MTG are Operations Connection and our new internship program. For those who are exploring or clarifying your call to missions, ESM promotes 4 prospects for you to choose from; each with a unique opportunity to fulfill your passion. Whether it is evangelizing, building, teaching or orphanage work that is calling you, we have a safe environment for you to stay for 2 weeks, 3- 6 months or a year. Check the website or contact us through email for more information.

To purchase Deb's book, please send \$15 (or use PayPal the website) & an email with your order.

"If you're ever inclined to pray for a missionary, do it at once, wherever you are. Perhaps he may be in great peril at that moment." (Amy Charmichael)
